O Glory Be to God
Stanford E. Linzey, II

I found the Christ my Savior sweet;
In Him I do delight.
He is my God and Lord and King,
I love with all my might.

Refrain:
Hallelujah! Hallelujah! Hallelujah!
O glory be to God!

He found me when I was in sin;
My heart was black as night.
He cleansed my soul and took me in,
And now I am made right.

Refrain:
Hallelujah! Hallelujah! Hallelujah!
O glory be to God!

He hung upon the tree one day;
The Righteous was brought low.
He died to show the sinful world
The way that man most go.

Refrain:
Hallelujah! Hallelujah! Hallelujah!
O glory be to God!

The gospel story has been told;
The promise is in store.
He who will obey the Lord
Has life forever more.

Refrain:
Hallelujah! Hallelujah! Hallelujah!
O glory be to God!
